

LUMINARY AWARDS SUBMISSION

Know someone making a difference in energy efficiency? Or maybe you're leading the way yourself? Either way, tell us all about it.

Please use the form below to nominate an individual, organization, or company that's shown exceptional commitment and leadership in energy efficiency. You may nominate more than one candidate using a separate nomination form for each. Self-nominations are welcomed and encouraged.

Upon completion of this form, please scan and email to LuminaryAwards@TakeChargeNL.ca or mail the hard copy to P.O. Box 8910, 55 Kenmount Road, St. John's, NL A1B 3P6.

Please note: takeCHARGE may share submitted nominations publicly. The judging committee also reserves the right not to select a winner in a category, even if nominations are received.

No

☐ I agree to receive correspondence from my electric utility containing news, updates and promotions regarding electric service and related services and programs. You can withdraw your consent at any time. Please refer to our Privacy Policy or contact us for more details.

Nomination Details

Your responses below will help the judging panel understand the nominee's impact and contributions. Please provide as much detail as possible – only the information submitted here will be considered during the review process.

1. What have they done to improve energy efficiency?*

Share specific actions, projects, or practices they've put in place to save energy or reduce energy use.

2. What impact have their efforts had – and how have they inspired others?*

Tell us about the results of their work and how they've encouraged others to get involved or make changes.

3. Is there anything else we should know?

This is your space to add supporting info, background, or anything else relevant to the nomination.

*Denotes required field. Include copies of any supporting material with your nomination form.

Terms & Conditions

1. Timeframe

Achievements in energy efficiency and corresponding electrical (kWh) savings must have taken place within the province in the last 36 months from September 2022 to August 2025.

2. Who can apply?

- The Luminary Awards are open to individuals and organizations within Newfoundland and Labrador ("NL") and those outside of the province supporting specific initiatives within NL. People can nominate themselves, their company, someone else, or a company they feel deserves the recognition.
- Nominations can be submitted through the online form at TakeChargeNL.ca/LuminaryAwards, by scanning and emailing this form to LuminaryAwards@TakeChargeNL.ca, or by mailing the completed form to takeCHARGE P.O. Box 8910, 55 Kenmount Road, St. John's, NL A1B 3P6.
- The nomination deadline for the 2025 Luminary Awards is September 8, 2025.
- Applicants can register a nomination up until the published nomination deadline.
- All nominees will be considered based on the information available to the judges at the point of the nomination deadline being reached.

3. What are we looking for?

Special consideration will be given to those who:

- Have made a compelling impact in energy efficiency.
- Have demonstrated a strong commitment to advancing energy efficiency.
- Are mentors helping to develop other future energy efficiency leaders and advocates.
- Have demonstrated quantifiable, cost-effective energy savings.

4. Judging

- Judges agree to act independently of any corporate interests or personal relationships they may have with any entrants.
- Judges will recuse themselves from judging any category of award where there may be perceived conflict of interest.
- Judges decisions are final.
- Any attempt to influence the decision of judges beyond the submitted application shall be deemed unfair and the application shall be excluded from the process.

The purpose of the Awards is to recognize those who have demonstrated best practices on energy efficiency.

takeCHARGE reserves the right to make changes to these terms and conditions at any time and post the new version to our website.
